Future Stars Medallion

Tiny Tots Scramble Participants	All tiny tots that ran in our weekly Tots Scramble
--	--

In addition to the awards above all athletes will receive a Season Achievement certificate that will outline the best performances of each athlete in each event undertaken. Number of personal bests is also highlighted giving a true indication of the effort of all athletes to

"Be Their Best"

McDonalds Award certificates will also be handed out to each athlete. Each Athlete may earn up to three certificates - Green, Red, Blue based on performances to the McDonalds Achievement levels. The certificates are achieved by meeting the required levels of performance for all events within event groups (Hurdles, Sprints, Distance, Throws, Jumps). Once a standard is achieved in 3 groups the athlete qualifies for that 'colour' award. Examples are detailed in the McDonalds awards area of the LAQ website.

All athletes will achieve the Green level

Red levels are generally achieved by approx. 50% athletes

Less than 20% of all athletes are expected to achieve Blue levels
