

BALMORAL LITTLE ATHLETICS CLUB**BLAC Photography and Media Consent**

For BLAC activities and BLAC-controlled communications

About this form

Little Athletics Queensland (LAQ) collects photography permission as part of the Sport80 registration process. BLAC recognises that families may wish to have a different preference for photography and media managed by the Club.

Use this form to tell BLAC your preference for BLAC activities and BLAC-controlled communications. Your BLAC preference does not change the consent or preferences you have provided directly to LAQ or other organisations.

Names and identifying information

Please select one option:

☐ BLAC may use my child's first name and age group when publishing an approved photograph or video.

Important information

- BLAC will take reasonable steps to respect your photography and media preference during Club-controlled activities and communications.
- This preference applies to official photography and media controlled by BLAC. It does not control photography undertaken independently by parents, spectators, other participants, LAQ or other organisations, subject to applicable venue rules, laws and safeguarding requirements.
- You can change your BLAC preference at any time by contacting info@blac.org.au. Changes will apply from the time BLAC receives and records the updated preference and may not enable BLAC to remove material that has already been lawfully published or distributed.
